

VISA FOR CITIZENS OF ANY COUNTRY EXCEPT USA

People travelling to Cuba only need to buy a Cuba Tourist Card, which is provided in travel agencies, Cuban Consulates and even some airlines companies.

You do not need to declare that the purpose of your travel is to attend to a conference because Cuban regulations establish that anyone visiting Cuba for up to 30 days can use the Tourist Card as a visa. If you intend to remain in Cuba for longer than 30 days, contact the Cuban Consulate in your country.
